BENDING & PULLING

MILWAUKEE® Bending and Pulling tools make our user's jobs easier throughout the installation process. Conduit Benders feature high contrast markings for the best visibility helping our users make bends. A dedication to the electrical trade and an understanding of our users' needs have driven us to create our innovative Polyester Fish Tapes. These fish tapes have a triple strand design that won't kink but still have the push strength for challenging runs delivering our users the easiest fishing. With an emphasis on productivity MILWAUKEE® Fish Sticks have the most durable connections and the brightest glow in the dark so our users can see better when working in low light. All MILWAUKEE® bending and pulling solutions have been designed with the electrician in mind to make the job easier.
