

SureWerx K1 Series[®] SafeGrip[™]

K1 Series SafeGrip traction aids help prevent slips and falls on wet, oily, greasy and soapy surfaces. The full-foot design is made with an oil-resistant material and features a unique tread pattern to channel liquids away while simultaneously increasing foot contact with the ground.

Features

- Provides maximum grip on slippery surfaces covered in water, oil, grease, soap and more
- Special tread pattern channels liquids away while increasing foot contact with the ground
- Tough industrial-grade oil resistant material is durable and made to last
- Synthetic rubber material maintains flexibility and is easy to clean
- Large toe-box fits over footwear

Benefits

- Helps prevent slips and falls and increases grip on wet, oily, greasy, and soapy surfaces
- Improves comfort with ergonomic design that stays in place and can be worn over your favorite footwear
- Easy to clean and easy to take on and off
- Long-lasting design and materials help reduce costs of regularly replacing footwear
